

Hawker 125-800B

Comfort and convenience

The Hawker 800 will carry eight passengers in excess of 2000 nautical miles, combining airliner performance with outstanding levels of comfort.

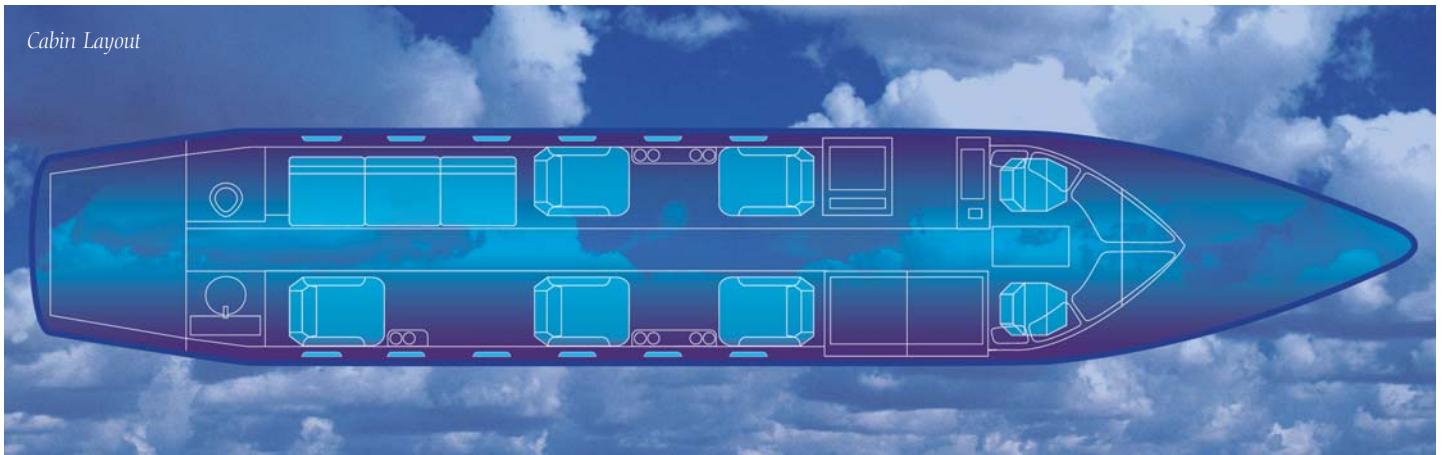

Luxuriously appointed with a spacious stand-up cabin, the aircraft offers an enviable combination of quality, performance and safety with sophisticated instrumentation and navigation equipment.

To the rear of the passenger cabin is a stylish, fitted washroom and to the front, a self contained galley.

Enhanced in-flight facilities include DVD player, Airshow and the provision for hot food to be served.

The Hawker meets the demands for longer range trips to destinations such as Eastern Europe, Russia and the Middle East.

Cabin Layout

The Hawker 125-800B has an exceptional short field landing performance, enabling the use of smaller airports.
